- Group Tent Camping and Bunkhouses must be booked for a minimum of 2 nights.
- Group Tent Camping and Bunkhouses are available for groups of 20 or more only.
- Group Tent Camping and Bunkhouses that do not meet the above requirements are subject to availability.

There are several locations suitable for tent camping for groups, the property map on the next page shows the location of each area. All camping is \$5 per person, per night, regardless of the location chosen.

Group Tent Area 1: This is a large open area just north of the RV Park. It has a covered pavillon, fire pit, and portapotty. This area will hold anywhere from 20-60 people.

Tent Spots on the Lawn: This is a large grassy area located between RV Spaces 25-28 and the River. This area will hold approximately 30-40 people in various sized tents. The shower house building is just past this area, with showers and restrooms. If you have a larger group, we will also include the Area behind/beside the Shower House.

Bunkhouses: These bunkhouses are wooden buildings with 15 bunk beds in each one, there are 3 bunkhouses. We do not mix groups in the bunkhouses, so even if you had only 20 people and needed only 2 bunkhouses, we would block off the 3rd one so you would not have other groups in the bunkhouses next to you.

Group Tent Area 2: This is located next to the Bunkhouses. It can be booked with or without the bunkhouses. There is a covered cooking area with a counter, water spigot, electric outlet, and fire pit here, this may be used by any group renting either the Group Tent Area 2 or the Bunkhouses. Like the bunkhouse policy, if someone rents Group Tent Area 2, we do not rent out the bunkhouses to another group. If someone rents the bunkhouses, we do not rent this group tent area to another group. This area will hold up to 30 people in tents.

Group Tent Area 3: This is a large area on the east side of the River, it will hold up to 200+ people. It is a large open area that is mostly gravel, and there are no services here, it is strictly primitive camping.

Most activities take approximately 2 hours for a group of up to 25. If your group is larger than 25, we will split your group up into rounds so that everyone rotates through each activity. You do not have to do all activities in the same day, they can be spread out during your stay if you desire.

The Candy Mountain Express Biking/Hiking Trail is located just behind the resort, it is a paved 8 mile trail that runs along the river and is great for biking or hiking. Miner's Park is located in Marysville, about 7 miles from Big Rock. This is an outdoor exhibit that features mining equipment and buildings from the 1800's. From here, you can also do a 2 mile roundtrip hike to Bullion Falls, a beautiful waterfall. For more information, please visit candymountainresort.com, or contact us at 866-999-9991
