We'll provide a catering proposal once we know how many guests you have and what level of services you desire. Pricing will include food, rentals (seating provided by the venue), staffing, supplies, tax, and gratuity.

For cookies and brownies, please add \$4 per person inclusive. For soft drinks and water, please add \$3 per person inclusive.

We'll customize a menu & proposal to your individual needs!

Catering Options

Please see the catering menu on the left. Prices will be based on Qty of people, Date of Event and other Group Details.

When you complete the [Group Event Request Form](#), please choose the Menu Item from the drop down field. If you would like quotes on more than one Menu Item, you can choose multiple items

We will provide you with a quote for the catering along with the quote for your Activities and Bar Service (if chosen).

Other Catering Options are available. If you would like a different menu option, please include those details in the Notes Section of the Custom Event Field.
